

Project: **Mariposa**
Location: **Pasadena, California**
Type: Multi-Family
Client: Mur Sol Development, LLC
Size: 14,009 sq. ft.
Units: 7

A modest yet exciting front facade on Mariposa Avenue invites guests & residents to enjoy the outdoors. Set back and above the street, the building massing exudes prominence yet humility on the streetface. Wrought-iron railings, stair-riser tiling & ogee-arcades set these residences apart from the rest.
