

Project: **Town and Country**
Location: **Pasadena, California**

Type: Multi-Family
Client: BDK Sierra Madre, LLC
Size: 30,260 sq. ft.
Units: 15

This three-lot subdivision arranges dwellings around a variety of garden spaces shaded by existing mature trees, providing both open & intimate exterior spaces. The Architecture showcases a simplified Italian Renaissance vernacular in scale with surrounding development patterns, providing a new cohesive blockface on Sierra Madre Boulevard between Oswego Street & East Del Mar Boulevard.
